Curlew Creek Parent Teacher Association is part of the National & Florida PTA. We aide in the engagement and empowerment of families and the community to advocate for all children in their education. We organize events and deliver enriching programs such as Book Club, Math Superstars, Move-A-Thon, Coyote Carnival, Trunk or Treat, Reflections, Giving Tree, Rockit Readers, Yearbook, and so many more. In 2018/2019 our focus will be on programs that support aide our students Literacy skills both in and outside the classroom walls. All these initiatives & YOU help build our Curlew Creek “Community”. None of this would be possible without PTA members, volunteers, & donations. Please join us in making the 2019/2020 school year the best yet! (Note: Although we depend exclusively on volunteers, joining DOES NOT obligate you to volunteer.)

**Please make checks payable to Curlew Creek PTA. Attach this form to your payment and put in the PTA box in front office.**
